ARMONIE

# THE ONE

La collezione *The One* ripropone il carattere forte e deciso del cemento, il suo aspetto grezzo, trasformandolo in un'inaspettata materia attuale ed accogliente.

*The One* può essere utilizzata sia da pavimento che da rivestimento ed è l'ideale per dare modernità agli ambienti.

*The collection The One offers the same strong and resolute character of concrete , its rough appearance, turning it into an unexpected welcoming and contemporary material.*

*The One can be used either for the floor the or wall and it is ideal to give innovation to space.*

*La collection The One offre le même caractère fort et résolu du béton, son aspect rugueux, le transformant en une affaire en cours et convivial inattendu. The One peut être utilisé soit dans le sol ou au mur et il est idéal pour donner à des environnements modernes.*

*Die Kollektion The One bringt den starken Charakter von Beton, sein ungeschliffenes Erscheinungsbild, zum Ausdruck und verwandelt ihn zu einem unerwartet modernen und wohnlichen Element. The One kann sowohl für den Boden als auch für die Wand eingesetzt werden und ist ideal, um Räumen Modernität zu verleihen.*
